DETAILED ACTION

Response to Amendment

1. Applicant's amendment filed 10 August 2005 cancels claims 30-32. Applicant's amendment has been fully considered and is entered.

Allowable Subject Matter

2. Claims 1, 3-10, 13-29 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art does not disclose a device for extracting first and second data from an initially received data unit, creating an encryption key by performing a one-way hash function on the second data and a previous key, encrypting the first data using the newly generated encryption key, and subsequently verifying the first data using a decryption process similar to the above mentioned process.
